MINUTES
Kelce Leadership Team Meeting
2:30 p.m. February 17, 2015

Present: Dr. Din Cortes, Dr. Paul Grimes, Dr. Eric Harris, Dr. Peter Rosen
Guests Present: Ms. Lisa Allen, Dr. Pawan Kahol, Ms. Janet Miller

I. Guests; Graduate Studies and Continuing Education – Dr. Grimes introduced the Dean Graduate and Continuing Studies, Dr. Kahol, who introduced the graduate office staff – Lisa Allen and Janet Miller
   a. Discussion of MBA program revisions
      i. Dr. Harris thanked the graduate office staff for their assistance.
      ii. MBA task force has been charged with a number of different duties in assessing where the college is with the MBA program.
         1. Look at admissions process – making sure it’s equitable and fair
         2. Revising Curriculum
         3. Look at modes of delivery as pertaining to other markets (i.e.: Joplin)
      iii. Task force has been meeting regularly and wishes to communicate with the graduate office staff about what is being discussed.
         1. Issues that the task force has dealt with:
            a. GMAT – must be taken before admission. Discussions are ongoing about whether to change the admission score of the GMAT for MBA admissions
            b. Four tracks to admission for the MBA.
            c. Role of external credentialing agency and official documentation.
      2. Discussed changing the deadline date for international MBA admissions from June 1 to May 1. Dr. Kahol will talk to the International Office about changing this date.
      3. Four admission tracks – 1) traditional, 2) recent Kelce graduates, 3) advanced degree and 4) executive (wouldn’t have to have a qualified GMAT with this track, but would need experience in the field). Dr. Harris summarized the four different tracks.
      4. No provisional or conditional admissions are being suggested for the MBA program.
      6. Don’t want to limit access to credentialing agencies for the students – could possibly let them choose from 1-2 agencies.
      7. Students will need to provide official transcripts in order to be admitted. Discussion followed on fraudulent documentation and cleaning up the program.
      8. Analysis of regional peers/regent peer were distributed and discussed.
      9. Will be cutting MBA prerequisites from 27 to 15 hours in the revised program at PSU.

II. PLC Update
   b. Pell Grant – student success data – looking at graduation rates based on whether students have received a Pell grant or not. PSU rates match up with the national average of 40%.
   c. Upcoming Cable Green visit – The Center for Teaching and Learning Technology is bringing Dr. Cable Green to the PSU campus on February 27 to speak about global open education, open licensing, open educational resources, and open policies to significantly improve access to quality education and research resources.
III. Summer Work Hours
   a. College-wide policy for consistency
      i. Discussed having a consistent summer work schedule in the college
      ii. PSU will be open from 8:00-4:30 M-Th, and 8:00-noon on Fridays
      iii. Chairs will discuss with their staff when they would like to work their additional 4 hours and will bring input back to the next KLT meeting.

IV. OOE Reallocation Proposal – discuss
   a. Dr. Grimes has been working on a plan to redistribute OOE funds within the college. Discussion followed on his proposal. KLT agreed with proposed funding redistribution of OOE funds. Dr. Grimes will proceed with getting the redistribution approved and in place for next fiscal year.
