MINUTES
Kelce Leadership Team Meeting
2:30 p.m., June 9, 2015

Present: Dr. Din Cortes, Dr. Paul Grimes, Dr. Eric Harris, Dr. Peter Rosen

I. Provost Leadership Council – debrief
   a. Furlough threat / tuition proposal process
      i. Last week was very hectic preparing for a possible furlough that didn’t occur.
      ii. The process will be simpler next time if this situation should arise again.
      iii. The House and Senate have both passed resolutions that need to be approved – stalemate is ongoing. If they can agree to something that the governor will approve, higher education is scheduled to have no reductions – allocation will remain the same as last year if current proposal is approved; if not approved, likely cuts to higher education and all state agencies.
      iv. If the state budget is passed then KBOR will try to approve tuition proposals next week.
   b. Transcript notation for students expelled under misconduct policies – debate
      i. PLC again debated this issue at their meeting this week. This issue is being pushed by the Student Government Associations across the state and a decision has not yet been made.
   c. Adjunct credentials and evaluation
      i. HLC is going to be more diligent in credential criteria for adjunct faculty.
      ii. A master’s degree will be required in the specific teaching area for undergraduate courses, and a terminal degree in the teaching area is required for graduate courses.
      iii. Jan Smith with visit with college leadership in future to discuss.

II. College Standing Committees – membership rotation
   a. Committee membership will be reviewed on Thursday at KLT meeting/lunch.
   b. Discussed MBA Program Committee membership/alternates. Consensus was that an alternate will be provided from department faculty when and if an alternate is required to attend a meeting. Standing alternatives will no longer be appointed.

III. Miscellaneous
