Kelce College of Business
Chairs Meeting Minutes
October 27, 2010, 2:30 p.m., 101 Kelce

Present: Ms. Rebecca Casey, Dr. Bienvenido Cortes, Dean Richard Dearth, Dr. Eric Harris

1. Youngman Reports for Summer 2010 Youngman Grants
   a. List was distributed of faculty who have submitted their reports for 2010 Summer and who haven’t. Reports are due by 10/31/10.

2. Provosts Leadership Council Report (10/26/10)
   a. Board of Regents – two important new, serious issues
      i. Foresight 2020 – A 10-Year Strategic Agenda for the State’s Public Higher Education System was reviewed and discussed
      ii. The Essential Learning Outcomes – 5 Kansas Regents Institutions have been tasked with determining and coming to an agreement as to what the essential learning outcomes are for all of the Regents institutions. These outcomes must be measurable and reportable. The Chair reviewed a proposal made by Ku and Ft. Hays.
         1. Dr. Dearth asked for input from Chairs on this document from which he will prepare a report for the Provost. Responses from Chairs are due to Dean Dearth this week.
   b. Salary proposal advanced by Presidents of all Regents Institutions ($50.4 million)
      i. Proposal to increase faculty salaries has been submitted to the Kansas Board of Regents
      ii. Dean Dearth asked for input from Chairs about faculty salaries – ie: has anyone left PSU employment because of salary-related issues? This information will be due to the Provost this week if Chairs have examples.
   c. Distance Education/Board of Regents
      i. Distance Education has become an issue with the Board of Regents
      ii. Public Institutions need to be participating in distance education. A plan must be prepared and is due in January. Chairs are to solicit input from faculty when Dr. Snyder calls for input.
   d. Organization of Research/Board of Regents
      i. Peggy Snyder will Chair this committee for PSU
      ii. Will develop methodology of reporting research activities
      iii. This will probably center on product or research and development activities in the Tyler Research Center.
   e. Transfer & Articulation Task Force – A report and plan has been mandated by KBOR
      i. Dr. Ivy will be the Chair of this committee. So far no academic representatives will be solicited.
   f. 3 Board of Regents were on campus today to evaluate Dr. Scott – 3 additional Board members will be here in the spring
   g. Inclement Weather Policy
      i. Chairs are asked to re-emphasize to faculty the Inclement Weather policy. The policy is on the President’s internet page and was handed to Chairs.
h. Guide for On-Campus Camps (Jamie Brooksher)
   i. This policy guide is being prepared for future. This will include one day events and is largely and outgrowth of the football camp situation last summer.
   ii. Strategic Plan for Academic Affairs has now been adopted. This plan should be used to articulate unit plans.
   iii. A new committee to determine priorities for OIS work orders will be established in the near future and chaired by Dr. Ivy. The name for this committee has not yet been determined. No academic representatives will be chosen for the time being.
   iv. A new step will be added to the Strategic Planning Process in the spring
      i. Departments will be required to make an additional progress reports after the reports have been submitted
