Richard Davis

Richard Davis graduated from Pittsburg State in 1969 with his Bachelor of Science in Education in History, and again in 1971 with his Master of Science in Psychology and Counseling before going on to get his PhD from Kansas State University. Over the course of his career, he was an Admissions Counselor, Associate Director of Admissions, Director of Admissions, and Director of Admissions and Enrollment Management for 27 years at five different universities in Kansas, Wyoming & Missouri.

He enjoyed six years at Pittsburg State which prepared him for a successful career in education. Many of the friendships he made at PSU have continued for more than 50 years and will hopefully last a lifetime. Once a Gorilla Always a Gorilla!

James (Mike) Gray

James (Mike) Gray graduated from Pittsburg State in 1970 with a Bachelor of Science in Business Administration. After several years in various management and sales positions, he joined New York Life Insurance Company. Over the course of 26 years, he was an Agent, Sales Trainer, Administrative Manager, Director of Field Administration, and finally retired as the Vice President of Administration of over 15 states.

Mike served six years of active duty with the U.S. army. He was initially stationed as an armor lieutenant in Fort Knox, Kentucky and with the First Infantry Division at Fort Riley, Kansas. He was then assigned to the Second Armored Cavalry Regiment in Bamberg, Germany and patrolled the East/West German border. He finished his active duty in Bamberg as the Executive Officer of the Regional Personnel Center.

Today, Mike lives in Plano, Texas. He has been married for 45 years to his high school friend and confidant. Together they have one daughter who is a pediatrician, and a son-in-law who is an assistant district attorney. They have two grandchildren, ages six and seven, and they are the loves of their lives. Mike's favorite college memory was living in Dellinger Hall with many friends and spending lots of time in the "den" of the student union at a table just in front of the Pershing Rifles office.

Carol Murphy

Carol was a third-generation student at Pittsburg State and graduated in 1971 with a Bachelor of Science in Business Administration with an emphasis in Accounting. She won 1 of 6 state-wide internships in public accounting and completed her internship with Haskins and Sells CPA firm. Carol worked for AT&T, Emerson Electric, and Pittsburg State. She also established the Joe and Hazel Heitz Scholarship in honor of her parents, both graduates of Pittsburg State and both educators. Carol now lives in Leavenworth, Kansas, and she enjoys time with her children – whom are all in education – and her grandchildren.

Steven & Patricia Harry

Pat and Steve Harry graduated from Pittsburg State in 1971 with a Bachelor in Music Education and a Bachelor in Music in Percussion and a Bachelor in Music Education respectively. They have been married for 53 years and have two children, Lt. Col. Christopher Harry and Elisa Denning, and five grandchildren. They currently live in Fort Scott, Kansas.

Pat taught choral music for 39 years. She is a member of the Kansas Music Educators Hall of Fame, a recipient of the Clyde U. Phillips Distinguished Service to Education award from Pittsburg State, and a retired member of Kansas Music Educators and the National Federation of Music Educators. Pat has been an active member of First United Methodist Church for 41 years where she serves as a pianist, organist, and choir director. In addition, she's President of the CA Chapter of PEO in Fort Scott, Kansas. She currently maintains a private piano studio in her home and enjoys camping and hiking with Steve.

Steve taught Instrumental music in public schools for 20 years, and then spent 20 years working at a manufacturing company in Fort Scott, Kansas. He enjoys playing golf and is proud of his three holes-in-one. He also enjoys camping with Pat and playing his trumpet. Steve especially enjoys playing his trumpet for community events and at church. He is a member of the First United Methodist Church, where he is a member of the chancel choir and serves as a member of the audit/funds balance committee. He has received an outstanding service award from the United Methodist Women and also served as scoutmaster for Troop 114 for several years. Moreover, he is a member of many professional organizations including Kiwanis, Rotary, Musician's Union, Masons, and Honorary Fort Scott Dragoon Bugler.

Looking back on her time at Pittsburg State, Pat's favorite memories were marching in the Homecoming Parades, and accompanying the recitals of Steve and many college friends. Pat was the most nervous playing the piano part for an Artie Shaw jazz woodwind small ensemble with Professor Robert Schott – however it was extremely rewarding when completed. Looking back on his time at Pittsburg State, Steve's favorite memories were the 1968 Jazz Festival and playing lead trumpet in the PSU Jazz Band, under the direction of Joe Hambrick. He also enjoyed playing with Bud Brisbois and Joe Morello, nationally known jazz musicians at the time.

Luis Rivera

Luis graduated from Pittsburg State in 1971 with a Bachelor of Science in Technology for Automotive Technology. Upon graduating and receiving his commission 2nd Lt. Army armor, he got his orders and reported to Fort Knox for officer basic. After that, he went to Fort Benning, jumped out of perfectly good airplanes, and earned his Airbourne Wings. He then reported to 3rd Infantry Germany and served as 64th Armor Tank Platoon Leader of the Scout Platoon. The branch then transferred him to mechanical/maintenance, and he returned to Fort Dix. Luis decided to part with the Army after five and a half years and was then recruited by Michelin Tire, participating in sales as a sales training instructor where he even covered Puerto Rico. After 15 years, Luis started his own business, but is now semi-retired as he has rental properties that he owns and manages.

Luis has been a Florida resident since 1977 and resides in Lutz. He has three wonderful children from his first marriage – Emily, Christy, and Ricky. He was married to his second wife Wendy for 29 years until unfortunately, she passed away in 2009. Currently, he has the very beautiful and wonderful Dedi in his life. When thinking back on college, Luis' favorite memories at Pittsburg State were Tanner dorm activities, intramural sports, winning season, several events, and floor parties on the 2nd floor. Luis gives his best wishes to Pamela A. Weir and hopes that she is safe and happy.

Joyce Avery Simms

Joyce Avery Simms graduated from Pittsburg State in 1971 with a Bachelor of Music Education with an emphasis in Vocal Music. She now happily resides in Kansas City, Missouri. Presently, Joyce is enjoying retirement after experiencing a successful, fulfilling career as an educator in the KCMO Public School District, the Diocese of Kansas City-Saint Joseph Catholic School District, and the Lee A. Tolbert Charter School District, totaling over 40 years of teaching at both the elementary and secondary school levels.

Joyce also relishes 48 years of marriage to her late husband, Lee C. Simms, also a graduate of Pittsburg State and a retired Jackson County Real Estate Appraiser. To this blessed union was born four wonderful children and eight amazing grandchildren. Moreover, the highlight of all their joyful experiences has been the privilege of living a Christ-centered life together in Lee's final years of life.

Kathryn Mahnken Richard

Kathryn graduated from Pittsburg State in 1971 with a Bachelor of Science in Education with an emphasis in Business Education. She also earned a Master of Business Administration degree in General Administration in 1982. Kathryn is married to her husband of 51 years, Larry, who is a 1985 graduate of Pittsburg State. They have three children and three grandchildren. Amy Droegmeier (BS '97) is married to Jamie (BBA '96), and they have two children, Jacob and Josh. Julie Bradford (BS '99) is married to Josh, and they have one daughter, Eleanora. Dan Richard (BS '09) is married to Kaitlyn. Kathryn and Larry currently reside in Arma, Kansas.

After working at Pittsburg State for 43 years, Kathryn retired in 2014. She spent 27 of those years as Director of the Regional Small Business Development Center. Other positions she held while at Pittsburg State include administrative assistant for seven years, research analyst for nine years, and an adjunct business faculty for nine years.

Kathryn has served on many different committees during her career, including as a 4-H Community Leader for more than 30 years, chair of the Arma V-J Homecoming Association, church treasurer at Zion Lutheran, district financial secretary of Lutheran Women's Missionary League, and a board member of Miners Hall Museum in Franklin, Kansas. Kathryn is also a founding board member of the Southeast Kansas Regional Prosperity Foundation.

One of the most vivid memories Kathryn has from her time at Pittsburg State is climbing the famous Russ Hall stairs to the fourth floor before the elevator was installed. She also remembers working as a student employee for Dr. E.G. Kennedy in the Counseling Center in Russ Hall. Kathryn's final thoughts are from after graduation when she worked for Dr. Paul Dixon in the Department of Curriculum and Administration in Hughes Hall and subsequently for Dr. Ralf J. Thomas in the Department of Business Administration as it was transitioning to the School of Business in Kelce Hall.

Beverly Miller Pendleton

Beverly Miller Pendleton, member of Pittsburg Divas, graduated from Pittsburg State in 1971 with a Bachelor of Science in Social Work. She currently resides in Kansas City, Missouri and has been retired since 2006. Some of her fondest memories at Pittsburg State include being a member of the Delta Sigma Theta sorority Beta Zeta chapter of Pittsburg. Her mother and father were also graduates of Pittsburg State, where her mother, Bernice Thompson Miller, was also a member of the Delta Sigma Theta sorority Beta Zeta chapter, and her father, Frank Miller Jr., who was a member of the Kappa Alpha Psi fraternity.

Patsy Lucas-Allenbrand

Patsy graduated from Pittsburg State in 1972 with her Bachelor of Science in Elementary Education. She also received certifications from the University of Kansas in Early Childhood Education and from Kansas State in English as a Second Language. She's been married to her husband, Kenny Allenbrand, for ten years, and they live in De Soto, Kansas. They have three daughters and three sons-in-law, Jayma Beadle Zook (BSEd '00, MS '08) and Eric Zook, Junelle Beadle Woolery (BSEd '02) and Ben Woolery (BSET '01), and Jennifer Allenbrand Anderson and Gabe Anderson. They also have three grandchildren, Sam, Sophia, and Khloei Anderson. Her family means everything to her and like Charlotte, is her "magnum opus."

After college, Patsy spent 40 years teaching at DeSoto USD 232. She served as head teacher at De Soto Elementary and received the Outstanding Educator of De Soto Elementary and Outstanding Educator of LTMS awards. Patsy served on the Staff Development Committee for eight years, as well as for the USD 232 Mission Statement Committee as co-Elementary Representative. She was president of the De Soto Teachers Association for two years, as well as a member of KNEA and NEA. She also taught AESL for Johnson County Community College for six years and was inducted into the De Soto High School Hall of Fame in 2020.

Outside of her career, Patsy loved being a Girl Scout leader, a nursery school teacher and Jr./Sr. High School Sunday School teacher at De Soto Baptist, and a volunteer teacher of adult ESL students in De Soto. She was also the De Soto Community Theater cofounder, the De Soto Alumni Association chair, and the DHS Alumni/VFW Scholarship Fund chair. She now enjoys being involved with her grandchildren's activities, hosting family holidays, gardening, church, book club, and her ladies group, Pleasant Hour Club (which turned 100 years old in 2021). She also has remained close to her high school class, which gathers several times a year.

Looking back on her time at Pittsburg State, Patsy has many fond memories. Her freshman year, she planned to move into Willard Hall upon her arrival in the fall of 1968 with her roomie, Sherene Coats, before finding out the previous roommate had never cancelled her contract. She then moved across campus to Trout Hall, not knowing anyone, and met her lifelong friend and sorority sister, Phillis Harold Durkin, before being cleared to move into Willard as originally planned. All the fun they had in Willard Hall – packing the phone booth, panty raids, PDA rules in the lobby, the clanking heat pipes, but especially the lifelong friendships that were made! As Freshman Class President, she experienced campaigning with the USA party and being involved again in Student Government. She also remembers the stalker in Porter library (oh my!), and being a Resident Advisor her sophomore year on 1st floor Nation. Patsy and the amazing 1st floor Nation girls had fun together and again packed the phone booths! She was selected to represent Dellinger Hall in the Miss Pittsburg State pageant, and remembers pledging Alpha Sigma Alpha, her sisters, her big sis, Vickie Fraker, and all the fun and friendships found there. Being in Cwens, she developed a friendship with Wilma Minton, who influenced her life and a lifelong friendship with Carolyn Sage Johnson. As a student, she worked in the Alumni Office for Ken Bateman and remembers all of Ken's entertaining antics. Priceless. She also did her student teaching at Lincoln Elementary with the wonderful Harriet Allison and learned many things from Dr. Evelyn Triplett and Dr. Forrest Coltharp. OAGAAG!

Martha Draeger Tilton Eiken

Martha completed her Bachelor of Education in Elementary Education degree from Pittsburg State in December of 1971 and participated in the graduation ceremony in May of 1972. She married Floyd Tilton a year before graduation and they were married for 18 years with a daughter and a son. She began her career teaching second grade in Thayer, Kansas. In Neodesha, Kansas, she ran a nursery school from her home for one year. Then, they moved to Wichita, Kansas where she attended graduate school while working in various retail positions. Next, they moved to Herington, Kansas and she worked part time as an elementary school librarian and part time as a remedial reading aide in Center School District. This was until their first child was born and Martha became a stay-at-home mom for eight years. In 1989, Floyd and Martha divorced. She then became an elementary school librarian in the Cherokee, Kansas, School District, and in Coffeyville, Kansas. When she moved to Carthage, Missouri, she was the elementary school librarian in Diamond, Missouri and later in Miller, Missouri. Martha retired at 55 from working in the education field. She then worked in various clerical positions until finally becoming fully retired in 2019, when she became a foster parent for her two granddaughters for a year and a half.

From 1990 until her second marriage in 2014, Martha was a member of Four State Christian Singles. For many of those years, she was an officer of the group. Don Eiken and Martha were the only officers of this group when they later became engaged in January of 2014. They set their wedding date in August to take place after the next election for the officers of Four State Christian Singles so they would not leave the group without leadership. Looking back on college, her most fond memories are of being a member of Campus Christians and meeting in the home of their sponsor, Dr. Orville Brill.

Carolyn received her Bachelor of Science in Education with an emphasis in Elementary Education from Pittsburg State in 1972. Carolyn has been married to her husband, Chris Johnson, a graduate from the class of 1971, for 49 years.
