# Dr. Dennis Morgan

Dr. Dennis Morgan was married to Ann Dawson Morgan, his late wife, who was an RN in a department of psychiatry. He served for five semesters as secretary, vice president, and president of the Inter-Fraternity Council at Kansas State College of Pittsburg (now Pittsburg State University) and as vice president of his fraternity, Lambda Chi Alpha. After earning his bachelor's and master's degrees at Pittsburg State, Dr. Morgan had continuing medical education at the University of Missouri and took postgraduate doctoral coursework at the University of Kansas before completing his Doctorate of Psychology at Western Colorado University. He also earned certifications from the American National Board of Psychiatry in 1978 and the World Congress of Professional Hypnotists in 1982.

Early in his career, Dr. Morgan worked as vice president for Psychological Services Group Dynamics in Dallas, Texas, and during this time, he spread his knowledge to Charter Baywood Hospital and College Hospital Cerritos and contributed to the staff of Long Beach Neuropsychiatric Institute and the Kellogg Psychiatric Hospital in Corona, California. Dr. Morgan also worked as the chief psychologist at Professional Psychological Services in Kansas City, Missouri, and as a psychological assistant for the Center for Active Psychology. He is the owner of Professional Psychological Services in Kansas City, as well as Psychanalysis PC in Kansas City, Missouri. He is currently retired.

During his career, Dr. Morgan was recognized as one of the Marquis Who's Who Top Health Care Professionals for his dedication, achievements, and leadership and was selected to be included in editions of the Who's Who in the West, Who's Who Among Human Services Professionals, Who's Who in Religion, and multiple volumes of Who's Who in the Midwest and Who's Who in Medicine and Healthcare. He was also honored for his 35 years of practice by the Missouri Psychiatric Association and was named the International Man of the Year in 1992 and given the 20th Century Award for Achievement in 1999 by the International Biographical Centre of Cambridge, England.

In 1989, he completed additional coursework in theology in Pasadena, California, where he was ordained to ministry by the International Ministerial Fellowship. Dr. Morgan then accepted a role as a partner at the Christian Psychiatric Associates of Los Angeles, which led to him accepting a senior pastor position at Heartland Community Church, Inc. where he remained until 1991. Dr. Morgan was a faculty member for the Crystal Cathedral Lay Ministry Training Center at the Capistrano Community Church in San Juan Capistrano, California, and now currently attends Grace & Holy Trinity Episcopal Church in Kansas City, Missouri.

Dr. Morgan was additionally in the U.S. Army Infantry and the Medical Department of Psychiatry Reserves after active duty. While staying involved on the board of directors for the American Board of Psychotherapy, he was a member of the Military Officers Association of America, the Navy League of the United States, the Military Order of the World Wars and the American Legion. He was also a member of the Kansas City Club, Lambda Chi Alpha Fraternity, Inc., The C.F. Menninger Society, and Psi Chi, the International Honor Society in Psychology.
