

## Nature Reach Animal Keeper Application

\*\*Students who are hired as keepers generally start off as a volunteer and then move to paid positions as they become available. Please feel free to stop by and visit with Director, Delia Lister, 328 Heckert-Wells or email [dlister@pittstate.edu](mailto:dlister@pittstate.edu).

Please submit this application to Delia Lister, Director at [dlister@pittstate.edu](mailto:dlister@pittstate.edu)

Application Date:

Name:

Student ID:

Local Address:

Cell Phone:

Select:      Freshman      Sophomore      Junior      Senior      Graduate

Major/Minor:

Daily Availability: (It would be helpful to include your class schedule with this application, and you must be available in the mornings before 1pm at least one day a week and be available a few weekends over a semester).

Questions:

1. What is your career goal?
2. Please list all college level biology courses you have taken.
3. What experience do you have caring for animals? (If it is not very much, that is OK, we can teach you!)

4. How do you feel about smells and/or handling feces on a regular basis?
5. Are you OK with cutting up mice and rats?
6. Are you OK with working in all kinds of weather conditions?
7. Are you OK with humane euthanasia when deemed necessary by the Director and/or Veterinarian?
8. What strengths and skills would you be able to bring with you to Nature Reach?
9. What other volunteer experiences have you had?
10. Can you be available to work on some weekends and holidays?
11. Do you have your own transportation to drive roughly 12 miles round trip without financial reimbursement?
12. Do you have a smart phone? You will be required to download a free App for scheduling.
13. Please provide a record of your last tetanus vaccination.

14. List three work related references.

Please attach a resume and your class schedule when you email this form to Delia Lister, Director.
