 - iii. Total in golf tournament accounts totals nearly \$50,000.
 - iv. Next year tournament will be first Monday in October.

V. College Update

- Reaccreditation Visit and Results – Paul Grimes
 - This was a very busy week with the AACSB visitation team here for their reaccreditation visit. Meetings all day Monday and Tuesday morning.
 - Reception on Sunday went well. Spent Monday meeting with various groups about various standards that are expected of the college.
 - The visitation team was a 3 member team led by Dr. Bob Camp from Indiana University at Pennsylvania, Dr. Gregory Carnes from University of North Alabama, and Dr. Bruce Raymond from the University of Colorado-Pueblo.
 - The team recommended reaccreditation. Final decision will be made by AACSB Board in January 2019. Will be able to announce the news once it becomes official at that time.
- Enactus/Academic Advising – David Hogard –
 - Enactus - distributed Enactus Annual Report and reviewed projects from the previous year
 - Advisement – online enrollment begins November 4 – meeting with many students – total of 500 advisees.

VI. Female Student Issue / Women-in-Business – Lynn Murray –

- a. Working on discovering why there are significantly less women than men enrolled in Kelce majors (33% women, 67% men).
- b. This could be a recruiting issue or a retention issue.
- c. Marketing Research class will research issue and possible solutions.
- d. College will explore starting a Women in Business student organization.

VII. Reorganization Update – Eric Harris

- a. Related information about reorganization of Kelce into two schools – KUSB, KGSB. It has been a smooth process thus far.

VIII. Graduate Curriculum Expansion – Din Cortes – reviewed traditional program on web page and new program with Academic Partners

- a. New MPAcc Degree –
 - i. This is new program that is offered on campus – for in-house accounting students
 - ii. It is essentially an accelerated program for accounting students who want to sit for the CPA exam (4+1 program).
- b. Online Professional MBA –
 - i. This is the new on-line program for working professionals.
 - ii. All courses are seven-week sessions. Classes are offered in two sessions during the semesters and one session in the summer.
 - iii. GMAT requirement and business prerequisites may be waived with work experience.
 - iv. Students must successfully pass their first two courses in the program with an A or a B grade. Explained the program.

IX. Board Initiatives

- Young Alumni Advisory Board – Nancy George and Lynn Murray
 - Planning Meeting Later this Fall in November or December
 - Still in discussions on how this board will be set up and taking nominations for board members.
 - The newly formed group has been charged with developing mission, objectives and bylaws to present at next KBOA meeting.
 - Discussed having a liaison from KBOA to work with this group. Liaison from Young Alumni group will work with KBOA too.

- X. Task Forces and Standing Committees – Break Out Time
 - 1. Executive Committee
