- VIII. Miscellaneous
- A. Digital Measures Progress
 - a. Feedback from faculty has been positive.
 - b. In the fall faculty will be instructed to make updates to vita in Digital Measures instead of sending vita to the Dean’s office.
 - B. Research Impact Measures – Citation Analysis (googlescholar.com)
 - a. Need to get more information on this area. Dr. Grimes has been able to access his information, but could not access for any other faculty in the college.
 - C. College Directory Updates
 - D. Gen Ed Course Availability – handout
 - a. Handout from Bill Ivy on General Education courses that are still available at PSU was distributed.
 - b. Discussed the possibility of adding more seats to COB gen ed courses if there is still space in the rooms. We may need to not be so rigid on small class size.
 - E. Budget Situation / KNEA Negotiations
 - a. Bottom line is that there will be a \$900,000 cut this year at PSU.
 - b. Historically, tuition recommendation committee makes recommendation for tuition increases to the President. Tuition increase request was 7.4% for next year.
 - c. Governor has to sign/approve the budget cut and then the Board of Regents has to approve the tuition increase. This would allow a mid-year salary adjustment for faculty if approved.
 - F. Dean’s Meeting w/ President
 - a. Discussion on budget – legislature has promised to do an in-depth analysis of higher education funding / spending.
 - b. Purpose of meeting was to tell the Dean’s that they are expected to do more fundraising and development activities.
 - c. Student Center building remodeling and plans to add on to the facility came in over budget. They have decided to try to get additional funding in order to totally fund the project.
 - G. Paraguay
 - a. Dr. Murray will be going to Paraguay this fall to teach a class. Dr. Murray will visit with some of the big companies to find out if there is interest in starting an MBA Program there.
