Textbook

Systems Analysis and Design, 12th Edition by Scott Tilley
ISBN-13: 978-0357117811
ISBN-10: 0357117816

Catalog Course Description

An introduction to methods used to design computer applications. the course will explore traditional and object-oriented methods used for the analysis and design of large application systems. It will focus on Object Oriented Analysis (OOA) and Object-Oriented Design (OOD) methodologies.

Prerequisites

CIS230 – Introduction to Programming

Course Objectives / Learning Outcomes

After completing this course, a student should be able to:

1.   Use Software Systems Analysis techniques and Methodologies.
2.   Use object-oriented modeling tools and techniques for designing business applications.
3.   Discuss ethical Issues involved in developing software systems in a business environment

General Education Goals

None

Course Outline

Date	Topic
January 17th	Introduction to Systems Analysis and Design
January 24th	Analyzing the Business Case
January 31st	Managing Systems Projects
February 7th	**Exam 1**
February 14th	Requirements Engineering
February 21st	Data and Process Modeling
February 28th	Object Modeling
March 7th	Development Strategies
March 14th	**Spring break!**
March 21st	**Exam 2**
March 28th	User Interface Design
April 4th	Data Design
April 11th	System Architecture
April 18th	Managing Systems Implementation
April 25th	Managing Systems Support and Security
May 2nd	
May 9th	Final's week
May 16th	Grades due

Teaching Methods

These will include lectures and readings from the textbook and various homework assignments. There will be a project that is designed to give students a hands-on approach to learning the methods used to analyze business problems and to design and model an application to solve those problems

Canvas

Notes from the lectures will be posted on Canvas. All assignments will be posted on Canvas. All exams will be online in Canvas.

Attendance Policy

Students are expected to attend class regularly and participate in the activities of the class. Exams will be given on the days indicated in the Syllabus. Any student requesting a different time must contact the instructor at least one week before the posted exam date. If there is an emergency, the instructor must be notified as soon as possible and at least one day before returning to class. Assignments and Projects are expected to be turned in on time. The due dates will be posted in Canvas. Assignments and Projects turned in late will not be accepted.

Classroom Conduct

Students should conduct themselves appropriately as outlined in the Academic Integrity Policy described below. Each student is responsible for his/her own assignments. Any student who copies another's work or provides a copy of his/her work to another student will receive a zero for that assignment. Any student who repeats this offense will receive an "F" for the course and may be subject to dismissal from the University due to Academic Misconduct.

Academic Integrity

All Pitt State students are bound by the academic integrity policies of the university as described and outlined in the current Syllabus Supplement. Please familiarize yourself with these rules and guidelines. In addition, as a course offered through the Kelce College of Business, students in this class are obligated to adhere to the college's Student Code of Ethics as outlined below. Students pledge to:

- Arrive on time, remain until dismissed at all class sessions, and notify instructors in advance of anticipated absences, late arrivals, or early departures whenever possible.

- Turn off cell phones or other electronic devices while in class, unless permission to use them has been granted.

- Refrain from class disturbances.

- Refrain from the profane or vulgar language in a threatening or disruptive manner.

- Treat fellow students, staff, faculty, administrators, and property respectfully.

- Refrain from giving or receiving inappropriate assistance.

- Prepare assignments and exams honestly, refraining from such unacceptable conduct as plagiarism or unacknowledged appropriation of another's work in any academic work.

- Obey the policies, regulations, and laws of the United States of America, the State of Kansas, The Kansas Board of Regents, Pittsburg State University, and the Gladys A. Kelce College of Business.

- If a student observes someone committing dishonesty in connection with academic work, the student is encouraged to report that dishonesty to the appropriate individual (ex, faculty member or administrator).

Students with Disabilities

Please inform the instructor if you have a learning or physical disability that interferes with course requirements. Assistance and/or appropriate accommodations may be available through the contacts listed on the current Syllabus Supplement.

Course Evaluation Methods

Exams (3) 600 points
Assignments/quizzes 400 points

A (90 – 100%) B (80 – 89%) C (70 – 79%) D (60 – 69%)

Note

The instructor reserves the right to amend and to reorganize this syllabus at any time.
