

# Kelce College Faculty Qualifications Summary

DAVID W. SIKOLIA

Assistant Professor of Computer Information Systems

**AACSB Qualification Status:** Additional

**Basis for Qualification:** Ph.D.in field

2 PRJs

2 Works in Progress

**Highest Degree:** Ph.D., 2013

**Institution:** Oklahoma State University

**Specialization/Major:** Management Science and Information Systems

## Research and Scholarship

### Focus

My research explores user compliance with information security policies.

### Impact

In addition to scholarly outlets, some of my work has appeared in magazines accessible to the community. One article was published in *Dividends Magazine*, 2020 Edition:

[https://issuu.com/msubusiness/docs/div\\_2020](https://issuu.com/msubusiness/docs/div_2020)).

The article advised users on how to keep their information secure during Covid-19 and remote working.

## **Sample Intellectual Contributions:**

### **Peer Reviewed Journal Articles**

Sikolia, D. (in press). How Effective are SETA Programs Anyway? Learning and Forgetting in Security Awareness Training. *Journal of Cybersecurity Education, Research and Practice*.

Sikolia, D., Twitchell, D., Sagers, G. (2018). Protection Motivation and Deterrence: Evidence from a Fortune 100 Company. *AIS Transactions on Replication Research*, 4(7), 1-14.
