

Davis-Hayter Education Scholarship

Dr. Richard and Mrs. Judy Davis

This scholarship was created by Dr. Richard Davis in 1995 in honor of his father and mother. Dr. Davis' mother was a career teacher for almost 30 years which helped three children earn college degrees. Both mother and father valued education. He wanted to help students in the College of Education. Dr. Davis received two education degrees from Pittsburg State within a span of six years. He was an employee in the Admissions office from 1969-1972 and his positive experiences at Pittsburg State prepared him for a career in Admissions and Enrollment Management at four universities.
