Scholarly Activities

Teaching

My major areas of expertise include: exercise physiology, health related physical fitness, pedagogy, camping, outdoor education and adventure education. I have extensive experience in ropes course programing and have a low elements ropes course at PSU. We also have a rappelling tower with both a wall and helicopter skid we use in my Camping and Outdoor Education classes.

Teaching

103	Weight Training
119	Racquetball
150	*Lifetime Fitness Concepts
200	LS: Tennis, Weight Training, and Racquetball
266	First Aid and CPR
317	Camping and Outdoor Education
361	Theory and Fundamentals of Activities II
467	Adaptive Physical Education
469	Exercise Physiology
499	Report
704	Physical Education Workshop
806	Special Investigations
823	Advanced Exercise Physiology
825	Leadership and Legal Issues in Sport & Leisure
840	Graduate Seminar in Physical Education
850	Mechanical Kinesiology

** Taught Lifetime Fitness Concepts in Paraguay Spring of 2006*

Advisement

I serve as the Graduate Coordinator for the HHPR Department. I presently have 140 part-time or full-time graduate students in our Master of Science Degree Program. I also advise undergraduate students who are assigned to me as "undeclared" in from my Freshman Experience classes.

Grants

I was awarded a 2012 KAHPERD Incentive Grant (\$1,000.00) in to teach a Flyfishing Workshop based upon the National Fishing in Schools Program model. The PSU summer workshop was conducted over two days. Day 1 focused on learning the basic equipment and motor-skills. Day 2 involved a field trip to Roaring River State Park (MO) to catch trout using the flyfishing skills acquired.

Institutional and Community Service

Dr. Gorman serves on the following: HHPR Promotion Committee, HHPR Scholarsgip Committee, Paraguay in Kansas Committee, College of Education Promotion Committee and is Member and Past-Chair of the University Professor Committee. Additional PSU service includes: Graduation Marshal and is the Past-PSU Lacrosse, Duck's Unlimited and Fishing Clubs Adviser. Dr. Gorman is also recruited by the Athletic Department to umpire both PSU scrimmages as well as varsity baseball and softball games. He also assists whenever needed at home cross-country and track and field meets. He also has served as official scorekeeper for the Gorilla Volleyball team. Additional HHPR departmental service includes: Graduate Faculty, Graduate Coordinator, HHPR Majors Club, Kansas Kids Day, Special Olympics, Rumble in the Jungle, HHPR Day and Adopt a Highway HHPR/Camping Class Coordinator.

Additional community service includes:

Recreation Activities and Service

My service to the recreation profession includes teaching the Adventure Sports class at Berry College for five years. I also received high and low elements ropes course training at Berry from Project Adventure, Inc. In 1988 when I moved to PSU, I was offered the opportunity to teach Camping and Outdoor Education. We constructed our first low elements ropes course, modified and included adventure and outdoor education the curriculum and let the fun begin. I teach one class in the fall, two every spring and one more in the summer. Educational units include adventure education with ropes course activities, camping & outdoor education, orienteering, canoeing/kayaking, fishing/fly fishing, archery (target & clout) and rappelling.

I also have roughly 23 years of volunteer service as a Kansas Department of Wildlife and Parks Hunter Education Safety Instructor. My colleagues and I teach three certification programs every year to folks in the Pittsburg community. I teach the First Aid along with Archery (live fire) and Tree Stand Safety units. I've also worked very closely with the Pittsburg Recreation Department and served on their Advisory Board for 10 years as a member and twice as Chair. I established and served as the Director of the Little Balkins Days - Old Timers Baseball Tournament. More recently, we have annual Outdoor Kansas (OK) Day programs for local children that I help coordinate and utilize the student from my Camping & Outdoor Education classes. Thank you for your consideration!
