1. Purpose/Justification for New Minor/Emphasis/Certificate:

This certificate is designed to allow students to earn a certificate in English by taking 15 hours of coursework. The coursework will come from courses already required for an English major so this additional certificate should come at no other cost to the university.

2. Will this affect any education majors? *If "yes," this requirement will need approval of the Council for Teacher Education before upload to "College Curriculum Legislation" in SharePoint.*

Yes No

3. Does this relate to, and/or may affect, any other departments, unit curricula, or programs at PSU or any other Regent university? *If "yes", please provide an explanation and attach all documentation (emails) between departments.*

Yes No

4. Does this new minor, emphasis, and certificate meet University catalog definitions? *These can be found at bottom of page 2.*

Yes No

5. Will additional resources or costs be required? Yes No
If so, what will be needed?

6. Describe the program assessment plan:

a. Enrollment targets = 5-10

b. Outcome expected and process to evaluate =

Since the courses required will come from courses already being offered to English majors, we will monitor number of students in the program. The certificate will simply give students an opportunity to earn an English certificate without a major in English.

c. Plan to discontinue if enrollment targets not met =

Since this certificate will not require any additional resources and the courses are already being offered to current English majors, there should be no need to discontinue unless the English major is discontinued.

Questions for certificate only: If you have questions, contact the Financial Aid Office, 4240.

If "yes" to both questions, it is the department's responsibility to send a copy of this legislation form to the Director of Admission and Financial Assistance to initiate Department of Education Approval.

1. Are students pursuing only this certificate eligible for federal financial assistance based on federal guidelines? **No**

2. Does the course content contained within this certificate provide relevance to employment opportunities or meet professional objectives for the student?

Yes

Definition of an Emphasis

Area of Emphasis is a specific subject area that exists within an approved degree program and major. At Pittsburg State University a minimum of 12 credit hours and no more than 24 credit hours are expected for an area of emphasis in a baccalaureate degree program.

Definition of a Minor

Minors at Pittsburg State University may range from 15 to 24 credit hours. When selected to accompany a degree that requires a minor there must be at least nine unique credit hours in the minor that are not found in the student's major in order to meet graduation requirements. In instances where the major requires a minor (not the degree type), academic departments/schools may specify minors that best achieve the learning objective for their students.

Definition of Certificate Program

A certificate program can be undergraduate or graduate in course content and provides a specific body of knowledge for personal or career development or professional continuing education. Certificates may be taken while also pursuing a degree or independent from any other studies at Pittsburg State University. It is recommended that if the student is only pursuing a certificate and not in conjunction with a degree and wishes to apply for federal financial assistance that they visit with personnel in the Student Financial Assistance office regarding the eligibility for aid for the certificate of interest. At Pittsburg State University a certificate can range from 12 credit hours to 24 credit hours.
