Pittsburg State University
College of Technology
Kansas Technology Center
Open House and Career Expo

Activity Sheet: Pre-Event Program Exploration   **Total Points Possible: ____/50**

Name: _____

Friday, November 1, 2024 8:00 a.m. – Noon, 12:00 p.m.
Registration is required. Register at: Open House Registration
Use same link to obtain more information about the COT Open House.

Scenario: You are planning to attend the KTC Open House to experience activities associated with Pittsburg State University's College of Technology programs. You will have a limited amount of time to check out dozens of demonstrations and interact with program majors and faculty for 12 +different program areas. To make the best use of your time, you plan to check out the College of Technology and investigate programs ahead of time. You will determine which programs to check out first. Then, you'll check out other program areas.

Resources: 1) **Access Code/Link to Virtual Open House Site provided in email after Registering**.
2) Device and internet access to explore Virtual Open House website

General Directions: 1) Access the College of Technology Virtual Open House site using the access provided to you from PSU. **[Becomes Available October 4th, 2024.]**
2) Follow the specific directions noted under Activity 1 & 2 below.

Activity 1. Welcome and Overview to College of Technology (10 Total Points)

Directions: 3) Click on Virtual Open House **Activity 1**, then view videos and read text associated with Activity 1.
4) Complete **Activity 1 [SUBMIT] Feedback Sheet** and submit it. (Note: Quality, complete, feedback sheet you submit serves as your ticket in a drawing for door prizes and scholarship vouchers.)
5) After completing previous steps, answer the following questions and click on **Go to Activity 2**.

What **type of program(s)** do you want to investigate? _____ **2 pts.**

What additional **information** do you hope to gain by attending open house and career expo?

_____ **4 pts.**

As of now, what program interest you the most? _____ **2 pts.**

As of now, what lab or activity are you most interested in seeing? _____ **2 pts.**

Activity 2. Investigate—Program Demonstrations and Info Sessions (30 Total Points)

Directions: 6) Select 1 of the 14 program areas (e.g., Graphics Communication) and click on **Investigate**.
7) For **STEP 1-INVESTIGATE**, view **Overview** (video and/or text) associated with program;
8) then click on **STEP 2-COMPLETE FEEDBACK SHEET** (top of page). Open feedback sheet and answer questions related to "Overview".
9) Repeat steps 7 & 8 for remaining sections, then submit Feedback Sheet (door prize ticket).
